Colleagues, in prep for today's internal chat re the options paper circulated by Brittany, I shared the draft with Amy and she had some comments (see attached). Thanks, Amy, for making time to weigh in on this – seems like an important point in the process . . .

Subject: Potential Options for Informal Resolution Discussion

Good morning everyone,

In preparation for an upcoming rescheduled meeting, I wanted to check in with the Region 9 team to see if you all think any of the ideas in the attached document has a high potential of being a nonstarter for discussion with the recipients. We are conducting the same type of review here.

This should help lead to a fuller discussion when we all reconvene. Thank you for your input.
